

24 January 2020

**BlueRock Diamonds PLC ('BlueRock' or the 'Company')
Shareholder Call**

BlueRock Diamonds PLC, the AIM listed diamond producer, which owns and operates the Kareevlei Diamond Mine ('Kareevlei') in the Kimberley region of South Africa, is hosting a shareholder conference call on Wednesday 29 January 2020 at 7.00pm (BST) in line with its commitment to maintaining positive engagement with its shareholders.

Shareholders are invited to submit questions via email in advance of the call, which management will aim to respond to during the call. Please submit questions to shareholderenquiries@stbridespartners.co.uk by 4.30pm on Tuesday 28 January 2020.

To participate in the conference call, dial +44 (20) 7048-4146 and enter the participant pin 316114 when prompted to do so. Alternatively, join the call at <https://vtm.clickmeeting.com/brd>. Please note that all lines will be muted except for BlueRock's management team.

The management team will strive to answer as many questions as possible during the call, however, it should be noted that no material new information regarding the Company will be provided during the call.

****ENDS****

Notes to editors:

BlueRock Diamonds is an AIM-listed diamond producer which operates the Kareevlei Diamond Mine near Kimberley in South Africa which produces diamonds of exceptional quality and ranks in the top ten in the world in terms of average value per carat. The Kareevlei licence area covers 3,000 hectares and hosts five known diamondiferous kimberlite pipes. As at November 2018, it was estimated that the remaining Inferred Mineral Resource from the four kimberlite pipes (KV1, KV2, KV3 and KV5) represents a potential inground number of carats of 367,000.
